

## Qi-Mag® Feng Shui project Restaurant NOSH - Berlin, Germany, Delicious and fresh...!

focus of the project: Geomantic analysis and design of a bankrupt object. With the goal of achieving a harmonising, revitalising basis and a relevant concept for activating an attractive insularity and economic prosperity.  
 Conclusion: the concept of the 'noble kitchen' in a vital, feel-good atmosphere with moderate prices, presents a uniqueness in the existing local restaurant market, and an attractiveness for the area. 'The restaurant is running...!'
